

From Melting Pot To Mountains

An ancient calling still drums in our lush
hills with memories of another time...
Magic still whispers in the trees of old
and beauty blooms.

You are invited to...

Come along and share in Tina Cooper's latest journey to be showcased at Illume Creations, Montville. Exhibition opens July 26 @ 5pm.

This exhibition will also feature local artists Wolfgang Engel's lamp work sculptures and Carmel White's beautiful glass bead jewellery.

Shiralee is celebrating 10 years by giving 10% off hand blown glass in July! We will be serving locally made canapes, wines & treats to mark the occasion.

From Melting Pot to Mountains illuminates our connection to our hinterland haven and will feature in Illume Creations from July 26 to September 7. RSVP July 24.
